Art Unit: 2616

1. The following is an examiner's statement of reasons for allowance:

With regard to claim 1, the prior art of record fails to anticipate or make obvious a scheduler comprising a first level generator, a second level generator, a first level filter mechanism, a second level filter mechanism, and a zero level generator, including all the limitations to each component.

With regard to claim 16, the prior art of record fails to anticipate or make obvious a method for scheduling service comprising all the steps of: "identify groups in a first level generator corresponding to a supergroup and a zero level generator; identifying a group of connections with the first level generator to receive service from the server; identifying connections corresponding with the group of connections with a second level generator to receive service from the server; filtering out inactive groups of connections in regard to the first level generator; and filtering out inactive connections in regard to the second level generator."

With regard to claim 36, the prior art of record fails to anticipate or make obvious an apparatus comprising "a scheduler having a schedule bitmap and active bitmaps which indicate which connections are active, the scheduler filters out inactive connections from the schedule bitmap by ANDing schedule bitmap with the active bitmaps."

Art Unit: 2616

With regard to claim 39, the prior art of record fails to anticipate or make obvious a scheduler with all the limitations, "including multiple counters associated with each entity which have multiple bits" and "including multiple schedule bitmaps associated with each entity that are used to schedule connections from the corresponding entity at different priorities or a combination of priorities."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
